OCCUPANCY FLAG: Google Maps shows DINEHILL Fusion Flavours actively operating at this address (4.0★, 659 reviews, currently shows as Closed — Opens 12:30 PM). If the landlord is claiming "immediate" availability, the current tenant status must be clarified before any evaluation proceeds. Either DINEHILL is vacating imminently or the listing data is incorrect.

02. Road No. 3, Banjara Hills — Location Context

Road No. 3, Banjara Hills is a secondary residential and mixed-use road. Per Wikipedia, Banjara Hills commercial activity is concentrated on Road No. 1 and Road No. 3. However, Road No. 3 carries Muffakham Jah College (one of Hyderabad's largest engineering campuses) — which drives student footfall but not necessarily the premium café audience The Kind requires. This is not a primary high-street commercial address.

What is on Road No. 3, Banjara Hills

- Muffakham Jah College of Engineering and Technology — large campus on Road No. 3. Student-heavy catchment.
- Green Valley — the specific sub-locality. Residential in character with some commercial units.
- DINEHILL Fusion Flavours — current occupant at this property. 4.0★ (659 reviews). Hyderabadi food, dine-in + delivery. Operating successfully here.
- Katha Specialty Coffee and Bakehouse — confirmed in Green Valley, Banjara Hills (Justdial listed). Nearby specialty coffee competitor.
- The property is approximately 2–3km from the primary Banjara Hills commercial spine (Road No. 1 / GVK One) and ~3–4km from the Jubilee Hills Road 36 corridor.

What is NOT on Road No. 3

- No anchor brands confirmed directly on Road No. 3 (no Starbucks, no large-format national café chain on this specific road)
- No metro station on or near Road No. 3 — nearest metro is Ameerpet or Khairatabad (1.5–2km away)
- No high-street retail footfall drivers — this is not a mall corridor or high-traffic commercial artery

03. Banjara Hills Specialty Coffee Ecosystem — The Problem

The Kind's primary challenge in this location is the density of established specialty café competitors in Banjara Hills. All confirmed from Justdial, Zomato, and LBB.

Brand	Area	Rating	Scale	Notes
Roast CCX	Venkat Nagar, BH	4.6★ JD (5.1k)	60,000 sqft · 500 pax	Hyderabad's largest café. Specialty coffee + full culinary experience. 7AM–1AM.
Roastery Coffee House	Banjara Hills Rd 14	4.4★ (15k reviews)	Multi-floor specialty	Hyderabad's most-reviewed specialty café. Directly across Roast CCX.
Starbucks (GVK One)	Road No. 1, BH	4.3★ JD (6.4k)	Mall anchor café	GVK One Mall — premium retail anchor. High tourist + affluent crowd.
Katha Specialty Coffee	Green Valley, BH	4.2★ JD (1.2k)	Neighbourhood café	SAME MICRO-MARKET as this property. Direct competitor at closest range.
Chika A Coffee Collective	Banjara Hills	4.6★ JD (806)	Boutique specialty	High-rated boutique specialty coffee in BH.
The Roastery (original)	Banjara Hills	4.4★	Artisan roastery	The original Roastery Coffee House in BH — established specialty anchor.

CRITICAL: Katha Specialty Coffee and Bakehouse is in Green Valley, Banjara Hills — the same micro-market as this property. The Kind would be entering a road with an established

specialty coffee competitor within walking distance, on a secondary road with no metro access and a student-heavy (rather than premium professional) catchment.

04. Lokazen Intelligence Score

Dimension	Commentary	Score
Location — Road No. 3 BH	Secondary road in Banjara Hills. Commercial activity present (college campus, mixed use) but not a primary brand-grade artery.	**5/10**
Main Road Visibility	Road No. 3 is a secondary road. Frontage not confirmed. Lower vehicle throughput than Road No. 1/36/37.	**4/10**
Metro / Transit Access	No metro on Road No. 3. Nearest metro ~1.5–2km. No significant transit footfall driver.	**3/10**
F&B Ecosystem Validation	DINEHILL operating here (4.0★, 659 reviews) proves dine-in demand exists. But for specialty coffee, it is unproven.	**5/10**
Competition Density	Katha Specialty Coffee in same micro-market. Roast CCX (60k sqft, 4.6★) and Roastery (4.4★, 15k reviews) nearby in BH.	**2/10**
Size Fit vs Brief	10,000 sqft — above The Kind's 3,500–5,500 sqft brief. Would need partial floor or format revision.	**4/10**
Rent vs Budget	₹10L/month for 10,000 sqft = ₹100/sqft. Rent is at market. But 10,000 sqft at ₹10L is a big fixed cost for a secondary road.	**5/10**
Catchment Profile	Green Valley BH: student-heavy (Muffakham Jah College) + residential. Not primary SEC A+ professional catchment.	**4/10**
Parking + Access	Not confirmed. Road No. 3 has some on-street parking but no structured parking info provided.	**4/10**

LOKAZEN COMPOSITE SCORE **40 / 100 — NOT RECOMMENDED**

40/100. This property does not meet The Kind's requirements for a Hyderabad flagship or expansion outlet. The three structural issues are decisive: (1) Secondary road with no metro access and low premium footfall, (2) Katha Specialty Coffee in the same micro-market — direct established competitor, (3) 10,000 sqft is 2x the brief at ₹10L/month — high fixed cost with uncertain revenue on this road. The Kind acknowledged this themselves ("not the best") — Lokazen concurs. Pass on this one and focus energy on the Jubilee Hills shortlist.

05. Lokazen Recommendation

PASS. Do not pursue.

Reason: Secondary road, no metro, established specialty café competition in same micro-market, size 2x brief, student catchment vs required SEC A+ professional base. The Kind's pipeline already has stronger options.

Where to focus instead — The Kind Hyderabad Pipeline

Property	BFI	Status	Key Reason to Pursue
P3 — Road 45, Aidu Kitchen, JH	**85/100 ★**	Lead Rec	Road 45 specialty cluster, existing fitout ₹1.5Cr+, TRUE BLACK 100m validates demand
P2 — JH Checkpost Corner Unit	**78/100**	Strong Rec	Metro access, corner visibility, ₹3.2L rent at market, 3,200 sqft fits brief
P4 — Road 36 Plot 484/A (Peddamma)	**74/100**	Conditional	Metro at door, Peddamma Temple footfall, Road 36 prestige — negotiate rent

P5 — JH Checkpost Rd Bungalow	**72/100**	Conditional	70ft frontage, G+2+PH, SABOO neighbour — resolve size + rent
BH Road 3 (this property)	**40/100**	PASS	Secondary road, wrong catchment, direct competition, size 2x brief
